

PROFESSIONALS

A training forum for coaches, trainers and riders

As we are firmly committed to helping you learn more about our products please take advantage of these FREE TELESEMINARS or WEB CLASS ROOMS held the last Monday of the month. We offer our product training in English at 9:00 am ET, and also at 7:00 pm ET. Product training is offered in French at 2:00 pm ET and also at 8:00 pm ET.

Registration is EASY! Call our main office toll-free at 1-800-651-3172 (416-297-6900 if local to Toronto) and ask for Joanne Carr (or email Joanne at jcarr@omegaalpha.ca) to reserve your space or to get the class room web address and entry codes.

To sign on: At the date and time of the scheduled teleseminar, call our education line at 416-915-8692 if local, OR 1-866-850-3418 to save long distance charges; the key-in code is the same for both phone numbers. Wait for the prompt to dial in this numeric code – 5751731 followed by the # key. Follow all prompts to be connected.

The 2017 learning schedule. All training seminars run for 30 minutes with a Q&A afterwards.

Jan. 30	Arthritis and Pain Management
Feb. 27	Cardiovascular Health
March 27	Protocols for Equine Athletes – Interview with sponsored rider
April 24	The Truth About Antioxidants (Herbs, Vitamins & Minerals)
May 29	The Importance of Detoxification
Sept. 25	Alternative Approaches – Interview with Dr. Jodie Santarossa (Veterinarian)
Oct. 30	Hormone Health
Nov. 27	Insulin Resistance & the Endocrine System
Dec. 6	7:00 to 8:00 pm ET. Ask the Good Doctor! – Health Panel. Join us online for a special evening with health professionals. Questions on pet, equine or human health are welcome.

JOANNE CARR, R.H.N., B.A.

Joanne Carr has 15 + years experience in the holistic health field. A bilingual (English/French) Registered Holistic Nutritionist who has lectured at natural health product seminars for retailers and consumers across Canada, Joanne also contributes to natural health publications such as Vista, Alive, and Healthy Directions. A graduate of the Canadian School of Natural Nutrition, Joanne also holds an honours degree in French translation along with a B.A. in French.

Joanne is the director of OASIS and manages our education division as a bilingual nutrition consultant and educator for the human, equine, and pet product lines.
